

Kendall Peters, MD, FACS

The Center for Plastic and Reconstructive Surgery

OUR PRACTICE: The Center for Plastic and Reconstructive Surgery (CPRS) has provided over 37 years of plastic surgery expertise in Central Florida. Dr. Kendall Peters continues CPRS' tradition of excellence by offering 5-star patient care. Kristen Nielson, PA-C, is the newest addition to the CPRS team. Kristen performs thorough patient evaluations where she provides detailed education, pre-and post-surgical planning, as well as Botox®, Juvederm®, and other injectable fillers. **SPECIALTY:** Dr. Kendall Peters is a board-certified plastic surgeon specializing in all aspects of cosmetic surgery of the breast, body and face. Our practice also offers the latest non-surgical procedures to enhance your image through its full service Med Spa, focusing on skin care, Botox®, and injectable fillers. **EDUCATION:** Princeton University (BA), University of Central Florida (BS), University of Florida College of Medicine (MD), University of Alabama-Birmingham (General Surgery), Emory University Medical Center (Plastic Surgery). **BOARD CERTIFICATION:** Double board certified by the American Board of Plastic Surgery and the American Board of Surgery. **PROFESSIONAL AFFILIATIONS:** Dr. Peters is an Assistant Professor of Plastic Surgery at the UCF College of Medicine. He is on the board for the Florida Society of Plastic Surgeons and is a member of the American Society for Aesthetic Plastic Surgery, American Society of Plastic Surgeons

and the Southeastern Society of Plastic and Reconstructive Surgeons. **WHAT SETS US APART:** Our unmatched standard of care has repeatedly earned us recognition by physicians and patients as one of the leading plastic surgery practices in Central Florida.. Our practice prides itself on utilizing the most advanced surgical techniques combined with a commitment to every patient's comfort and complete satisfaction. From our beautiful office in downtown Orlando, which includes a state-of-the-art surgery center, our mission is to provide you with the highest quality of service in a private, luxurious setting. **INNOVATION:** Dr. Peters selectively chooses the latest and most effective technology the cosmetic industry has to offer. We offer VASER® ultrasonic liposuction for faster recovery with less down time. Other examples include the Keller funnel to minimize scarring with breast augmentation and Exparel nerve blocks to decrease pain after a tummy tuck.
