CENTER FOR PLASTIC AND RECONSTRUCTIVE SURGERY

Kendall Peters, MD, FACS; Kristen Neilson, MMS, PA-C

THE CENTER FOR PLASTIC & RECONSTRUCTIVE SURGERY:

Orlando's premier plastic surgery practice and med spa with over four decades of superior surgical outcomes and unsurpassed patient care. **ABOUT OUR PRACTICE:** Dr. Kendall Peters and the team at The Center for Plastic & Reconstructive Surgery (CPRS) provide clients with an unmatched standard of care in a luxurious setting. Plastic surgery is not a "one size fits all" endeavor. That's why Dr. Peters guides each patient through the surgical process to help him/her understand which procedures will work best and to ensure that patients are informed and feel comfortable every step of the way. **CENTRAL FLORIDA'S PREMIER MED SPA:** Our commitment to the highest level of patient care, comfort and medical innovation extends to our on-site med spa. The Med Spa at CPRS, led by board certified physician assistant Kristen Neilson, distinguishes itself from routine providers by offering medical grade, state-of-the-art treatments and skin care products. **INNOVATION SPOTLIGHT:** Dr. Peters chooses the latest and most effective technology the

cosmetic field has to offer. Examples include VASER ultrasonic liposuction, the Keller funnel to minimize breast implant encapsulation with breast augmentation, and Exparel nerve blocks to decrease pain after a tummy tuck. For added comfort, we offer the PRO NOX system, a patient-controlled analgesia system that can relieve discomfort and anxiety in seconds. The Med Spa at CPRS is also one of a select number of practices in Florida to offer CoolSculpting®. This body contouring procedure permanently removes unwanted fat with no surgery or downtime. **EDUCATION:** Princeton University (BA), University of Central Florida (BS), University of Florida College of Medicine (MD), UAB Medical Center (General Surgery), Emory University Medical Center (Plastic Surgery). **PROFESSIONAL AFFILIATIONS:** Assistant Professor of Plastic Surgery at the UCF College of Medicine, President Elect of Florida Society of Plastic Surgeons, American Society for Aesthetic Plastic Surgery, American Society of Plastic Surgeons and the Southeastern Society of Plastic and Reconstructive Surgeons.
